

To all ETRs AND ETAs,

As you may already know the Union and the Company reached an Agreement that lifted the 5 year restriction. As part of the agreement on a one time basis, all ETR's and ETRA's will be allowed to move base locations to where an opening exists, or where it may be created by someone else moving. Moving will be strictly on a volunteer basis and in seniority order (No Bumping).

In order to try to get everyone closer to home, and to their desired work locations we are doing the survey below.

Please fill out all parts, name, present work location, and company ID. If you choose not move, mark that box and return form.

If you choose to move, what four bases would you desire most? #1 being your first choice. #2 second choice and so on. Please return in the prepaid envelope to the Union Office. You may contact your Region Officer if you need more copies, or please print from website. Prompt and 100% participation is needed by all to make this a success. Surveys are due back no later than Thursday 1/31/2019. Please call the Union Office at (909)-305-9802 for any questions and speak to Milton Davis, Joe Moreno or myself.

Thank you,

Javier A. Salas
 President, UWUA, Local 132
 (909)736-4469

SURVEY

Name:	
Present Work Location:	
Company ID:	
<input type="checkbox"/>	<i>I CHOOSE NOT TO MOVE</i>
Desired Work Locations:
